

IUC-PG - SCHEDULE DISCOUNTS

Ohio - Purchasing Agreement UN15-017 MISCELLANEOUS OFFICE FURNITURE

What is an IUC-PG Agreement?

An IUC Schedule is a blanket purchasing method negotiated by The Inter-University Council Purchasing Group of Ohio (IUC-PG), which helps State of Ohio higher education institutions save money and increase efficiency when purchasing common good (e.g. furnishings).

Are the savings significant?

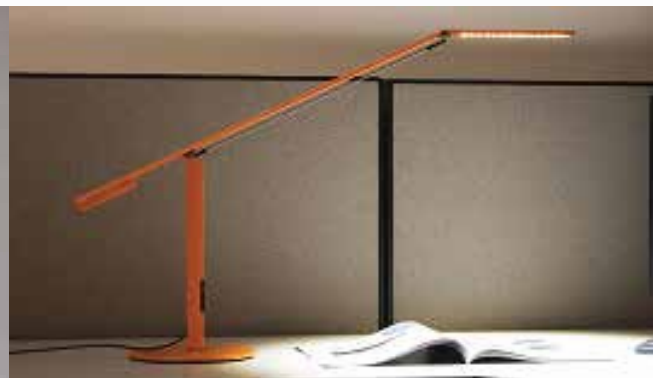

Yes - The IUC-PG agreements are negotiated to deliver high quality products at affordable prices. It is often the differentiating factor in selecting vendors and suppliers.

Here is our proof.

Allermuir has established an IUC-PG agreement that allows us to deliver world-class interior furniture, exterior furniture, and space solutions at affordable prices. See above for discount details.
